Minnesota Arts Town Halls

You are invited to a Minnesota Arts Town Hall to discuss the next phase of recovery and stability for the Minnesota arts community. We will be holding two of these events: one for individual artists and one for arts organizations.

Town Hall for Arts and Cultural Organizations, [Wednesday, April 29th, 10:30 a.m. to 12:00 noon.](#)

Town Hall for Individual Artists and Creative Workers,

We know that arts are absolutely crucial to getting us through this pandemic. We know that artists are sewing masks, virtually entertaining the state, and maybe most important, helping to make meaning out of all of this. We know that for many not only your ability to create or administer art, but your livelihood related to that art has been put on hold for an unclear amount of time.

We know some of the story. Thousands of you have filled out surveys asking how the Coronavirus pandemic has affected your art and your organizations. We know that much of the promised assistance is delayed or hard to get. We also know that disasters often fall hardest on those who had less going into them.

We want to ask you to join us for community listening:Where do we go from here? What is it that you need and how can we as statewide organizations help? What questions do you have that you can't get answered? How can we ensure that communities are not further marginalized?

We know that this pandemic will further marginalize Black, Indigenous, People of Color, People with Disabilities, LGBTQIA+ and Rural Communities. How can the arts help?

You are welcome to attend either event, but they will each have a slightly different focus.
